Our Mission

To be a world class center for professional learning driven by professionalism, dynamism and innovation. We will also place high emphases in our programs for ethical values and social responsibilities.

Our Vission:

The advent of globalization and its attendant issues have alerted the foundational backdrop of the legal culture and the activities centered around law, which demands serious attention of the policy makers and intellectuals. Law is no longer confined to its traditional paradigm of being identified as a mere discourse which controls external human conducts and ensures social justice. Law is slowly revealing itself as an essential medium of change as it has proved to be a constructive and useful mechanism for implementation of economic policy, thereby strengthening the foundation of economy. The new notion of law and jurisprudence demands a different attitude to legal studies and research. Theoretical knowledge – one mere confined to legal texts without interdisciplinary studies and practical exposure is unwarranted in the present day context, as one cannot develop the skill of deciphering the legal issues which have

surfaced as a result of the emergence of new economic understanding and technological development of the present millennium. All this necessitates Lawyers, Academicians and Researchers with exposure and skill to play a crucial role in chartering the course of our nation with sensitivity, vision, conviction and dedication.

This requires institution of high standards, which will stimulate intellectual inquiry and excellence. In view of this, SB College of Law will not only imbibe the tradition of multi disciplinary approach to the legal studies and research but also will make a genuine endeavor to propagate such approach to both the privileged and unprivileged learners and researchers of law and jurisprudence and thus strive to emancipate such interdisciplinary culture from the elitist dogmatism and carry the same to the grassroots level of the society. The Institution will earnestly aspire to strengthen the foundation of democratic and social values in our young generation and mould them into "social engineers" who will work towards building a "New India".

Our Objective

- (a) To advance and disseminate learning and knowledge of law and legal processes
- (b) To develop in the students a sense of responsibility to serve society in the field of law by developing skills in regard to advocacy, legal services, legislation, parliamentary practice, law reforms and such other matters
- (c) To make law and legal processes efficient instruments of social development

Principal Message

The idea of studying law is an exciting and intriguing prospect. This is a process that requires a lot of thinking. I take immense pride in welcoming you to SB College of Law. In order to understand better, the value addition of 'Law' education and its impact on the society as well as to groom up the budding talents and mould their career as Legal professionals, to SB College of Law will undertake a comprehensive effort to develop and implement learning assessment.

Dr. Sandeep Kulshrestha
LL.M., NET, Ph. D.
Principal

We want to become a 'learning-centered' institution and that requires a refocus on our attention to include learning and how it is assessed.

We do not lay emphasis on theoretical knowledge alone but stress on active participation of all students in the various national seminars, symposia, colloquia as well as moot courts that the college organizes. The interaction between our students and the speakers is of utmost importance to us, so we stress upon guest lectures by eminent legal luminaries, where the speakers to student ratio is less. In fact, Guest lectures and seminars are an integral part of our curriculum. Pandit Jawaharlal Nehru once said, 'Idealism of today is realism of tomorrow'. SB College of Law is a place where this cherished dream would come true.

I, therefore, hope that this prospectus will encourage you to apply to study law in to SB College of Law, and I look forward to having the opportunity to welcome you to our Law College.
